## Episode 002 - A day of obstacles

**Focus:** talking about how you are and where you're from

**Grammar:** definite articles *der/die/das*

**The next morning, Harry receives the same text message from Julia. When other events from the previous day also start repeating themselves, Harry begins to wonder. This day is apparently the same as the day before.**

### IN THE HOTEL ROOM

#### NARRATOR:

There are some people for whom fate keeps particular surprises - a kind of 'special treatment.' Harry Walkott is one of those people. Yesterday, he didn't only find himself abandoned by his girlfriend in the Black Forest vacation paradise, he also got struck by lightning and very nearly killed. And now this morning ...

#### WEATHER FORECASTER:

Guten Morgen, heute ist Mittwoch, der 31. April, sieben Uhr, zuerst das Wetter.

#### HARRY:

Oh, no! Seven o'clock!

#### NARRATOR:

Did she just say *Mittwoch*? Wednesday was yesterday!

#### HARRY:

I don't care! Oh, I feel like the troops of hell had marched all over me.

#### NARRATOR:

That's no surprise! You were struck by lightning, Harry. Most people don't survive that.

#### Harry:

Oh, that! That was just a dream.

#### NARRATOR:

Are you sure?

#### HARRY:

Oh, another text message from Julia? 'Schönen Tag noch!'

#### NARRATOR:

That's exactly what she wrote yesterday!

**NARRATOR:**

Exactly. Die Welt ist verrückt. And do you know something? He's right! He was right yesterday, he's right today, and he'll be right again tomorrow. Harry, I almost believe that your day is repeating itself.

**HARRY:**

The world is ganging up against me.

**NARRATOR:**

Harry, you're like a little, stubborn child. Your day is ...

**HARRY:**

A day cannot repeat itself. If you were right, there'd have been an accident now with a taxi.

**NARRATOR:**

And? What have you got to say now?

**HARRY:**

I just don't believe it!

**TAXI DRIVER: (DIALECT)**

Das darf doch nicht wahr sein. Oh nein! Das Taxi! Nein, nein, nein! Die Katze, die Katze ist schuld!

**SHOP ASSISTANT:**

Die Katze? Der Fahrer ist schuld! Der Fahrer ist schuld!

**HARRY:**

What are they talking about there?

**NARRATOR:**

Well, they don't know who's to blame: *der Fahrer - die Katze - das Taxi*.

**HARRY:**

What?

**NARRATOR:**

The driver, the cat, the taxi. *Der Fahrer, die Katze, das Taxi*. *der, die, das* are the three definite articles.

**HARRY:**

I know! *der, die, das* ... and I always have to learn them with every noun. *der, die, das, der, die, das, der, die, das* ...

**HARRY AND NARRATOR:**

*der, die, das ... der, die, das ...*

**NARRATOR:**

*der, die, das ...*

**HARRY:**

Oh, stop it!

**NARRATOR:**

*der, die, das ...*

**HARRY:**

I'm not talking about that. Doesn't anyone notice: Everything is being repeated?

**NARRATOR:**

You're obviously the only one who remembers it all. Perhaps it's got something to do with the lightning?

**HARRY:**

Lightning! Oh rubbish! Everything repeating itself? This here is a ... a déjà-vu or a nightmare! Do you know what? I'm going back to the hotel, I'm going to lie down, and I'm going to wait until I wake up!

**NARRATOR:**

Oh Harry, you're putting your head in the sand. But that's the way he is. He's just a lovable little ignoramus!
